Course Overview
This two-day intensive course provides opportunities for hands-on cadaveric workshops, didactic lectures, and in-depth case discussions. Our expert faculty deliver advanced instruction for common and uncommon upper extremity treatments. Each faculty member provides a series of talks showcasing insight from their clinical experience, sharing tips, pearls, and current treatment trends.

Course Faculty

Pablo De Carli, MD
Dr. Pablo De Carli is Professor of Orthopedic Surgery at the School of Medicine of the University Institute of the Italian Hospital and Professor of the School of Graduate Hand Surgery at the University of Business and Social Sciences-UCES. He is Head of the Center for Hand Surgery and Senior Member of the Italian Hospital of Buenos Aires. He has been President of the Argentina Association of Hand and Reconstructive Surgery of the upper limb in 2008 and 2009.

Enrique Pereira, MD
Dr. Enrique Pereira specialized in Arthroscopic Surgery of the Hand and Upper Extremity Reconstructive Surgery at the Argentine Association of Arthroscopy. He has presented and published many papers on hand and upper extremity pathology and surgery both at the national and international level.
