Surgical Skills Course

Course Overview

This two-day intensive course provides opportunities for hands-on cadaveric workshops, didactic lectures, and in-depth case discussions. Our expert faculty will provide advanced instruction for common and uncommon upper extremity treatments focusing on elbow, wrist and hand. The faculty will provide a series of talks showcasing insight from their clinical experience, sharing tips, pearls, and current treatment trends.

Course Chairman

Andrea Celli, MD

Dr. Andrea Celli is currently affiliated with the Department of Orthopaedic Surgery at Hesperia Hospital in Modena, Italy. Dr. Celli obtained his medical degree and orthopaedic & trauma surgery residency at the University of Modena and Reggio Emilia. After his fellowship in Shoulder & Elbow Surgery at Reggio Emilia, he completed fellowships in Sports Medicine at the University of Pittsburgh, Surgery and Traumatology at the OLVG Hospital in Amsterdam, and Elbow Surgery and Shoulder & Elbow Surgery at the Mayo Clinic. He is certified by the Italian Board of Orthopaedic Surgery and is a member of the Mayo Elbow Club, Società Italiana Ortopedia e Traumatologia, and other organizations.
