

## Minimally Invasive Rib Plating & Cryoablation Therapy Course

Friday, August 21

7:00 am-1:00 pm

Location: John Wayne Cancer Institute Anatomy Lab

2200 Santa Monica Blvd, Santa Monica, CA 90404

Please join us for a half-day course presented by our esteemed faculty, Dr. Osita Onugha. The course will begin with a presentation addressing minimally invasive approaches to cryo nerve block therapy and treating thoracic injuries followed by hands-on cadaveric training focusing on solutions for chest wall stabilization.
