

Please join us for our virtual learning series featuring Professionals Reaching Out (PRO) to share their pearls and tips, highlight the latest research and publications, and lead case discussions that will help you address problem indications in the future.

Managing Malunions and Nonunions of the Hand Case Discussion

Tuesday, October 6, 2020

3:00 PM PDT

Join us for an interactive learning opportunity with our esteemed faculty, Dr. Ruch and Dr. Bindra, as they discuss difficult case studies of malunions and nonunions in the carpals, metacarpals, and phalanges. Surgeons are invited to participate by providing a case of their own, past or present, to review with the faculty. Don't miss out on this unique opportunity!

Session Type

Duration

Case review from Professor Bindra 15 min

Case review from Dr. Ruch 15 Min

Case review from attendees 30 Min
